By Mary Nebotakis, Managing Director, Natloans, B. Eco, Dip. Financial Services

So, the holiday season has snuck up on you this year. That's OK, such is the case for thousands of Australians all around the nation this year, but lucky for, you've stumbled across Natloans' array of Christmas Loans! Let's run through some scenarios, and then address a Natloans solution for each:

Scenario 1 – Gift, Meals, and Decorations

Problem:

Let's say that you're having your family around for Christmas. Ok. What's required. Well firstly you'll need gifts for everyone, then you'll need to pay for a meal to feed the entire clan, and on top of that, you're going to need to decorate to impress. The only problem; you don't have the money to afford the whole lot. What can you do?

Solution:

This sounds like a job for a Personal Loan Solution . With a Personal Loan, Natloans will connect you to a lender who will, should you meet their very reasonable conditions, grant you a sum of money to help you afford your Christmas expenditures; at your discretion.

Scenario 2 – Family Abroad

Problem:

you do?

Solution:

This sounds like a perfect fit for a Travel Loan Solution! These Christmas Loans are a variety of Personal Loans, specially designed to accomodate travelling costs, and are your best bet for getting the quick cash needed to spend Christmas the way it should be: with your family.

Scenario 3 – Christmas Ruins Your Saving Plan For A New Car

Problem:

Let's say that you can afford all the regular expenditures for Christmas (gifts, meals, decor, etc.), but the buying of which will set you back on your savings for a new car you've been eyeing all year. What can you do?

Solution:

Lucky for you, with a Natloans Car Loan , you don't need to count every penny for a car. As long as you can put down a reasonable deposit, and are making an appropriate income, a Car Loan will ensure that you get your hands on the new car in the new year, and can worry about the total bill later!

Scenario 4 – Need Some Business Cash Flow To Get Through The Year

Problem:

As all business owners know, the Christmas season can be a really rough time for business. Many of your staff may be on holidays, many people might not be buying as much, and in general, you may not be meeting budget for the month, as a result of all these factors. What can you do?
